COMMITTEE PHONE 202-226-3040

February 7, 1986

Honorable William J. Casey
Director of Central Intelligence
Central Intelligence Agency
Washington, D. C. 20505

Dear Mr. Casey:

Thank you for your letter of December 24, 1985, responding to my request of November 18, 1985, for a briefing on CIA drug intelligence activities.

Let me assure you that it was not my intention to request information that could reveal intelligence sources and methods. Rather, the Committee is interested in being briefed on what the CIA's responsibilities are for the collection of narcotics intelligence and how your efforts are coordinated with other agencies responsible for drug control. In short, we want to know what the agency's role is in our nation's narcotics control efforts.

We are also interested in the CIA's substantive assessment of current drug trafficking trends. I appreciate your offer to have your specialists brief the Committee about trends in the illegal foreign drug trade on a regional basis.

With these points in mind, let me try to rephrase from my earlier correspondence the issues the Committee would be interested in having you or your representatives discuss at a closed briefing:

BENJAMIN A. GILMAN, NEW YORK
RANKING MINORITY MEMBER
LAWRENCE COUGHLIN, PENNSYLVANIA

MICHAEL G. OXLEY, OHIO

I trust that these issues can be discussed in a manner that would not require any disclosure of sensitive information relating to intelligence sources and methods.

As before, please have your staff contact Mr. John T. Cusack, the Committee's Chief of Staff, to arrange the details of this briefing.

Thank you for your cooperation.

Sincerely,

CHARLES B. RANGEL
